OFFICER ON THE RESULTS OF 2020 PRIMARY LEAVING EXAMINATION (PLE)**

SUBMITTED BY THE OFFICE OF THE DISTRICT EDUCATION OFFICER

KASSANDA DLG

KASSANDA - UGANDA

July 2021

Preamble

On behalf of Kassanda District Local Government Education Department, I have the honor to present to you the results of 2020 Primary Leaving Examinations (PLE) whereby, **4975** candidates were registered from 98 schools with UNEB Centre's.

Of these **2165** were males and **2810** were females.

3872 were Universal Primary Education (UPE) beneficiary candidates and **1103** were private candidates (Non UPE).

This report presents the general scores in divisions for PLE 2020, a comparative analysis on the PLE performance, challenges, recommendations and individual schools' performance for the year 2020.

UNEB released exams for **96** examination centers except **165** candidates who among them, **85** candidates sat from Yala Public Primary School seating center, **36** candidates from Bukuya Town school, **27** candidates from Mweya Sengendo P/S and **05** candidates from Musozi P/S whose results are still being withheld pending investigations.

The other **12** candidates are from selected private schools who had blocked their results from UNEB as a result of uncleared school fees balances, but will soon be accessed as soon as the parents clear the school fees balances.

General results also show that Social studies was the best done subject, followed by Science, followed by English and Maths was the poorly done subject which did not deviate from the national performance.

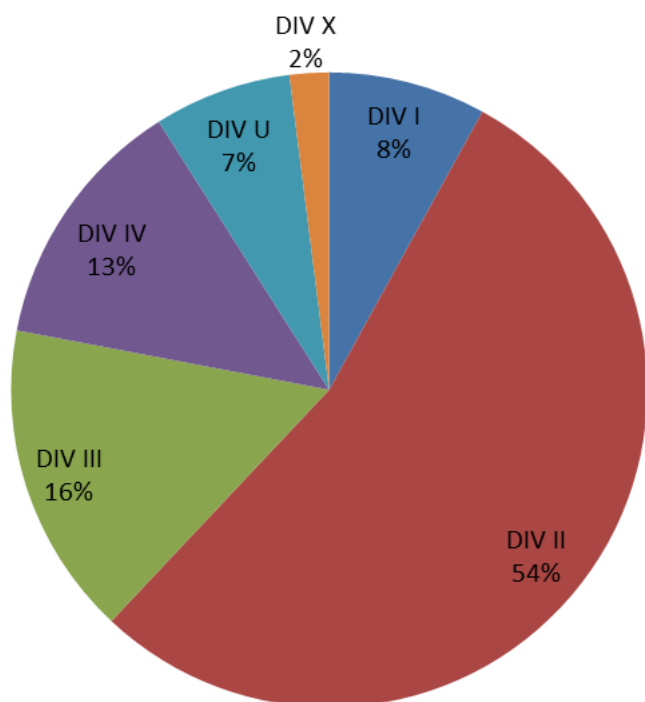

Below is the general divisional scores distribution table 1 and a pie chart distribution for 2020 PLE performance.

ACHIEVEMENTS

- ✓ There was an increase in Division one and two.
- ✓ There was increase in pass rate in 2020 as compared to 2019.
- ✓ Reduction in wastage.
- ✓ There was a slight increase in the number of candidates registered for PLE from 4876 in 2019 to 4975 in 2020.
- ✓ There was an increase in examination centres from 93 in 2019 to 98 in 2020.

CHALLENGES;

- Results of **165** candidates ie;
 - **85** candidates from Yala Primary School
 - **36** candidates from Bukuya Town school
 - **27** candidates from Mweya Sengendo P/S
 - **05** candidates from Musozi P/S were withheld due to suspected involvement in examination malpractices. Therefore the concerned head teachers will be invited by UNEB to appear before UNEB security committee at a date to be communicated.
 - The other **12** candidates are from selected private schools who had blocked their results from UNEB as a result of uncleared school fees balances, but will soon be accessed as soon as the parents clear the school fees balances.
 - Failure and absenteeism rate is still high in general.
 - Inadequate seating facilities in some UNEB seating centres amidst the Covid-19 restrictions which led to increased deployment of supervisors and invigilators who were not planned for.
 - Inadequate funding by UNEB and the district local Government to facilitate UNEB activities.
 - Despite the creation of Bukuya storage station, some schools in hard to reach areas like Kyato, Bbira Bulinimmula, Buseregenyu and Makokoto receive exams later than the stipulated time due to impassable roads.
 - Some schools lack main halls which is requirement for a UNEB centre.

RECOMMENDATIONS;

- Regular testing and evaluation of candidates to reduce the rate of failures.
- More sensitization of parents by all stakeholders to avoid withdraws of registered candidates from school.

- Schools should desist from involving themselves in examination malpractices.
- Both UNEB and the district local Government should ensure adequate funding of PLE.
- Teachers should increase practicing regular comprehension with pupils
- The district local Government should support schools with adequate seating facilities, rehabilitate roads and construction of main halls.
- There is need to train teachers, deputies, DOSs and P.7 class teachers on academic improvement.
- There is need to benchmark good practices with good performing schools and from other districts
- There is need to conduct continuous professional development (CPDs) using the UNEB examiners
- All teachers, SMC members, politicians and community members should be engaged in mindset change campaigns

APPRECIATION;

I wish to register my appreciation to the following stakeholders who played a very big role for the smooth organization and supervision of PLE 2020.
